When all forms have been completed, please return them to the Circuit Civil/Family Law Department of the Jackson County Clerk of Court, along with your filing fee of \$300.00 and other fees. If you make your own copies of your signed and notarized paperwork, you will not have to pay \$1.00 per page for the copies needed to serve the other party. Once proof of service is received by our office, your case will be forwarded to the Family Court Specialist for review. You may check back with a Deputy Clerk in 2 to 3 weeks for the status of your case.

This petition and other documents must be served on the other party. The sheriff's office may or may not be able to serve your paperwork and that fee is \$40.00. If the sheriff's office cannot serve your paperwork, you will need to hire a private process server. If you allege in the petition that paternity has already been established, as a matter of law, you must include a certified copy of the final order of paternity when you file your paperwork.
